

COMMANDANT'S OFFICE:

Commandant is the head of the Academy and the sole authority. There are three Departmental Heads for the Nautical, Engineering, and Education Departments. Cadets' discipline and regimental Training are run by Adjutant, GI, and PTI. There are also Accounts, Stores and Development Department. All Heads of Departments are directly responsible to Commandant for their respective Department's activities. Commandant's office maintains communication with all authorities, and also maintains communication with all internal departments. Issues Clear office orders, notices, and CTM regarding running the Academy and compliance with National and International Rules. Commandant's Office also monitors the total activities of the Academy and maintain a record of all through the Head of the Departments.
